## PRESIDENT'S MESSAGE

### HAPPY HOLIDAYS TEAM REDSTONE,

I'm wishing everyone a safe holiday season that is filled with warmth and joy. I'm looking forward to all the great things to come in the year 2026. I researched what could possibly happen and according to Google, 90% of online content will be AI-generated. Looks like we are moving more into artificial intelligence and quantum computing advances that may help with breakthroughs in materials science and medicine. Mortgage rates are predicted to fall significantly to 5%. It is predicted that drones and robots will expand rural delivery for retailers. Let's face it no one knows what is going to happen – right?

**JEFF BACON**  
President  
Redstone-Huntsville Chapter

I'm going to provide my Nostradamus Bacon predictions that are going to come true right now. Next month we will have a Professional Development Event with guest speaker from Thompson Gray. Be on the lookout for those details to come out and listen to the great things they will have to say. This will equal an epic encounter!

Mark your calendars for February 24-25, for the first time in history. There will be the first Defense Financial Management Institute (DFMI) right here in the Rocket City. The theme is "Resilience Through Innovation – Empowering

NextGen Leaders to Drive Efficiency". The event will be held at the Von Braun Center, and you will have the opportunity to earn up to 28 CPEs through in-person sessions and on-demand access all included in the All-Access Registration. You can learn from the experts and dive into sessions pertaining to audit readiness, PPBE reform, and digital transformation. Expand your network and lead with purpose. Registration is now open at <https://www.eventleaf.com/e/DFMIHuntsville26>. You will not want to miss it!

Around the corner in March, we are bringing back the "Battle of the Chapters". That's right you read that correctly. The Redstone/Huntsville Chapter will be syncing up with the National Contract Management Association (NCMA) to have another battle of the brains pertaining to trivia in your respective areas in finance and contracts. This will be our 2<sup>nd</sup> engagement and I'm looking forward to seeing if you have what it takes to win! I know Ray Lewis got it going on as one of the prior champions. I'm predicting he goes undefeated & shows up and shows out what it is all about!

In all seriousness, I'm predicting a great year for everyone. We are in this together and going to make the best of whatever comes. This past month we had a Grinch of a Time celebrating the upcoming holidays at our annual Christmas Party. I want to thank Rebecca Hunt, our Special Events Committee Chair and all those that supported putting this together for our membership and making this such a great event! I got to see some amazing people and made me reflect on what amazing chapter we really do have!

During the event the Member of the Quarter was announced. Lauren Cunningham, our Committee Chair for Awards, provided the nomination and award for Cynthia Johnson. Ms. Johnson has been doing an exceptional job with our Newsletter and Publicity. She has an amazing spirit and is overall just a great human being. I appreciate all that you continue to do!

I want to thank our board members and other committee chairs for the unwavering support this year. Hard to believe this year is about to be over. Prepare your New Year wishes, and I look forward to seeing you soon!

Be safe and Happy Holidays!

*Jeff Bacon*
